[REDACTED]

07 October 2024

Tēnā koe [REDACTED]

Thank you for your request of 17 September 2024 seeking the following information under the Official Information Act 1982 (the Act):

"1. The submission from the New Zealand Cruise Association to the Climate Commission in favour of counting New Zealand's international emissions in Climate Commission targets.

2. All submissions to the Climate Commission on behalf of organisations concerning recent consultations on international emissions and 2050 targets."

The Commission has considered your request in accordance with the Act.

Response

Please find attached the submission from the New Zealand Cruise Association (Document 1) in response to the Commission's consultation on whether it should include emissions from international shipping and aviation into the country's 2050 emissions reduction target.

Please note that in accordance with the Commission's process for proactive release of documents, the majority of consultation submissions (including that submitted by the New Zealand Cruise Association) will be made publicly available¹, with personal details redacted. These will be found on our website [here](#) in early December 2024.

At this point in time, it would take significant resources to provide you with all received submissions as we are currently in the process of preparing these for public release. If you have a particular submission you are seeking, we may be able to consider a pre-emptive release of that, if that is of assistance.

As this information will soon be made publicly available, we rely on section 18(d) of the Act to not provide it to you directly, at this stage.

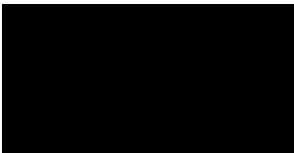

¹ The Commission publishes submissions where the submitter's authority has been provided

You have the right to seek an investigation and review of this response by the Office of the Ombudsman, in accordance with section 28(3) of the Act. Contact details for the Ombudsman can be found on their website at: www.ombudsman.parliament.nz

Please note that the Commission proactively releases its responses to requests made under the Act. This is to help ensure others can also have access to this information. As such, this letter will shortly be published on our website with your name and contact details redacted to protect your privacy.

Nāku noa, nā
